# SWEET HEART

party & auction

FEBRUARY 10, 2024 - 6PM | SHORE LODGE PAVILION

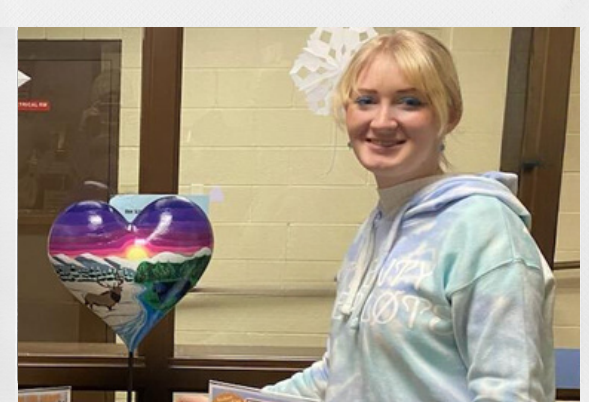

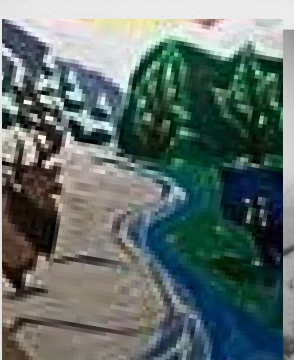

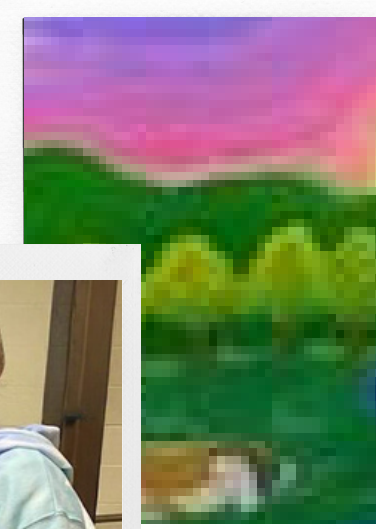

## Kayla Anderson

MDHS Class of 2024

## Seasons

My design is an honor to the four seasons that we have in McCall and Idaho in general. As someone who's traveled their whole life, I've seen that McCall is the one of the only places that I've lived that has all four distinct seasons with corresponding wildlife. My design incorporates different flora and fauna of each of the seasons, wrapped up in a symmetrical landscape with a sunset on the colder side and a sunrise on the warmer side.
