

Payette Land Trust presents

SWEET HEART

party & auction

FEBRUARY 10, 2024 - 6PM | SHORE LODGE PAVILION

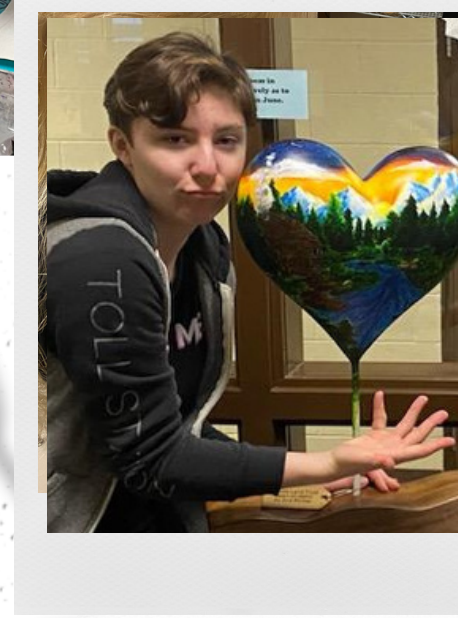

Ava Rinker

MDHS Class of 2024

Serenity

The piece I have created represents the connection between the inhabitants of McCall. On one side of the river, it shows a home that has people living their lives without disturbing the other side, which shows the wildlife that can be found throughout McCall. The area on both sides looks lived in with various activities being shown, from birds flying to nests to fishing equipment.
