

SOIL SAMPLING WORKSHOP

Join us for a hands-on educational work session at Payette Land Trust's Huffman Pasture led by Stewardship Manager, Dr. Karie Boone.

TUES, JUNE 10, 2025
5:00 - 7:00 PM

Dress for the weather and wear closed toe shoes.

Location: Huffman Pasture
Corner of Farm to Market Rd & Potter Ln (SE of McCall)

Explore:

- The importance of soil health
- Basic soil testing techniques
- Hands-on experience in collecting soil samples
- Land stewardship practices from other attendees
